O R D E R

Heard Sri M.P.Chandramouli, the counsel representing the

writ petitioner and Assistant Government Pleader for Endowments for Respondents 1 and 2 and Sri Venugopal Rao representing Respondent No.3.

2. The writ petition is filed for a writ of mandamus to declare the action of the first respondent in rejecting the stay order in revision as against the order in OA.No.40 of 1997 on the file of second respondent and the action of the third respondent in high handedly trying to destroy the paddy crop as arbitrary, illegal and void and to pass such other suitable orders.

3. Several factual details are narrated in paragraph nos. 2 to 5 in the affidavit filed in support of the application. It is not in controversy that RP.No.34 of 2007 was filed on the file of second respondent is pending disposal. The petitioner is aggrieved of the rejection of stay application in RP.No.34 of 2007 on the file of the first respondent. It is stated by Sri Venugopal Rao, the standing counsel for Respondent NO.3 that possession had already been filed and a copy of the panchanama is produced before this court. The petitioner however contends that it is only a paper transaction and the petitioner continues to be in possession. This court is not inclined to express any further opinion relating to

the said aspect of the matter.

4. In the light of the facts and circumstances, the writ petition is disposed of at the admission stage directing the parties to maintain ***statusquo*** relating to the subject matter of the writ petition pending disposal of revision as against order in OA.No.40 of 2007 and it is needless to say that the said revision to be disposed of within a period of four weeks from the date of receipt of a copy of this order.

5. With the above direction, the writ petition is disposed of at the admission stage. No costs.
